Unseen Passage for Class 5 Students

Unseen Passage 1: The Brave Little Squirrel

In a dense forest, there lived a brave little squirrel named Sammy. Sammy loved to explore and often ventured far from his tree. One sunny day, while searching for acorns, he noticed a group of animals gathered near a big rock. Curious, Sammy scampered over to see what was happening.

When he arrived, he saw that a little rabbit was stuck in a bush and couldn't get out. The other animals were worried and didn't know how to help. Sammy quickly thought of a plan. He climbed up the rock and shouted, "Everyone, I need your help! Let's work together!"

The animals listened to Sammy and formed a chain. The strong bear pulled the bush while the clever fox guided the rabbit. With teamwork, they freed the little rabbit. Everyone cheered for Sammy and his friends for their bravery and cooperation.
