### Unseen Passage: The Little Garden

In a small town, there was a little garden that belonged to a girl named Sara. Sara loved her garden very much. She planted colorful flowers like roses, daisies, and sunflowers. Every morning, she would water the plants and watch them grow.

One day, Sara noticed that a butterfly had come to visit her garden. The butterfly was beautiful, with bright blue and yellow wings. It danced from flower to flower, and Sara was very happy to see it. She sat quietly on a bench and enjoyed the lovely sight of her garden and the butterfly.
