

UNSEEN POEM FOR CLASS 4 STUDENTS

Unseen Poem for Class 4 Students

Poem: "The Sun"

*The sun is shining in the sky,
Warming the earth as it goes by.
With golden rays, it lights the day,
Chasing the dark clouds away.*

Questions:

1. What does the sun do to the earth?
2. How does the sun affect the clouds?

Answers:

1. The sun warms the earth.
2. The sun chases the dark clouds away.
